

Mr. Gregory K. Melcher, New Generation Warfare Center

Mr. Melcher currently serves as the Chief Operations Officer of the Center for the Study of New Generation Warfare. He is also affiliated with the Virginia Tech Applied Research Corporation where he leads National Security Program Development. From 2015-17 he was a Senior Fellow at The Potomac Foundation. Prior to joining Potomac, Mr. Melcher held the position of National Security Analysis Executive at the Johns Hopkins University Applied Physics Laboratory where he led efforts focused on conducting analyses across a wide range of government sponsors.

Mr. Melcher was a member of the U.S. Government Senior Executive Service, most recently as the Deputy Director Assessments Division for the Chief of Naval Operations with prior experience in research and development, and major systems acquisition.

Mr. Melcher earned a Bachelor of Science degree in Electrical Engineering from the University of Maryland and a Master of Arts degree in Global Policy from the Johns Hopkins University School of Advanced International Studies. He also is a certified acquisition professional.
