

Building Excellence

Adrian FLOREA, Development Director Concelex

An accomplished experienced executive, with 25+ years of professional background and proven track record in Board Practice, Governance and General Management and Business Strategy, within developed and emerging markets in B2C, B2B and B2G sectors, with a particular lead in technology and large civilian and critical infrastructure projects. In Concelex, Adrian aims at advancing the company's initiatives and business strategies through setting new partnerships.

Holding a EMBA diploma and a postgraduate degree in Board Practice and Directorship with Henley Business School, Adrian proves a solid corporate governance background as Vice-Chairman of the Board of Directors for "Mihail Kogălniceanu" International Airport Constanta, as well as Board Member for the British Romanian Chamber of Commerce.
