

Anuar BURANBAYEV

Partner, Center for Research and Consulting

Annuar Buranbayev holds a Master of Business Administration from the Maastricht School of Management in the Netherlands and brings over 25 years of experience across the banking, oil and gas, oilfield services, and mining sectors. His expertise spans corporate management, public administration, spatial development, industrialization, economics, technology, and innovation.

Throughout his career, he has held senior leadership roles in both the private and public sectors, including heading a prominent government think tank specializing in industry research and industrial policy. He has led strategic initiatives involving company readiness for initial public offerings on international markets and has a strong track record in conducting analytical research and developing long-term corporate strategies.
